

WHY IT WORKS

Haley Poly Floor Shield is a plural component hi-performance coating for shed floors. It is a highly flexible, hot tire & chemical resistant, seamless coating that is excellent for pet structures, garage floors, horse barns, trailers and any heavy wear flooring you need to protect.

WITH THE ADDITION OF HALEY PAINT'S POLY FLOOR SHIELD, YOU CAN TURN ANY FLOOR INTO A HI-PERFORMANCE FLOOR!

HI-PERFORMANCE FINISH

It creates a moisture barrier for both wood & concrete. It is also chemical resistant and will extend the life of the floor.

SUPER DURABLE

It is a highly flexible floor system that wears like iron and takes a pounding.
